*The following describes our itinerary to Nauvoo and Branson (Oct 9-17) or Just Branson (Oct 12-17).  
When you register for the tour, simply mark the tour in which you are interested.*

**October 9:** Fly from Salt Lake City to St. Louis, arriving in the early afternoon. Transfer to **Nauvoo** for a delicious dinner. We'll stay at the lovely Nauvoo Family Inn & Suites (just up the street from the temple) for two nights and two full days. This is a perfect time to be here. Temperatures are pleasant and crowds are light. **D**

**October 10:** Welcome to Nauvoo. We'll have all day to enjoy the area. We'll see the Visitors Center, Trail of Hope (Parley Street), Burial Grounds, Mansion House, Homestead and have plenty of time on your own to see the areas of most interest to you. Optional late afternoon session at the **Nauvoo Temple** today. Dinner tonight is at the **Hotel Nauvoo** (best meal in town). In the evening, we'll enjoy a show performed by the couple missionaries. **B, D**

**October 11:** Continuing in Nauvoo. This morning we'll attend Sacrament Meeting in Nauvoo (for those interested) followed by additional time in the restored area. After lunch, we'll go to **Carthage** to visit the Jail. In the late afternoon, we'll depart Nauvoo and make a stop in Hannibal for dinner and browsing. We'll continue onto St. Louis for the evening. **B**

**October 12:** Today we'll then check out of the hotel and drive over to the **Gateway Arch**, the city's signature monument. It's an amazing structure that you need to see from the inside. If you've been in the arch, other great activities are available at the base of the arch. We'll then visit the very beautiful **St. Louis Cathedral**, my favorite Cathedral in the United States (41 million pieces of mosaic tile in over 3,000 colors). You have to see it to believe it. **IF YOU ARE FLYING IN TODAY**, we'll pick you up at the airport and we'll all enjoy our drive into the Ozark Hills and beautiful Branson. Dinner is at Lambert's Café. Our hotel is the beautiful Holiday Inn Express well located on Green Mountain Drive behind the strip. **B, D**

**October 13:** Welcome to Branson – the entertainment capital of America. We start off with an orientation tour of the area showing you some of the scenic overlooks, sharing some history and helping you become familiar with the area. Branson is known for its entertainment, but the **scenery** is lovely as well – especially this time of year. After lunch, we'll enjoy our first show performed by the hilarious and entertaining **Yakov Smirnoff**, one of Branson's veteran performers. Dinner is at the Grand Country Buffet followed by the **Osmond Brothers** who are back in town for a limited engagement. It will be a great way to start our time in Branson. **B, D**

**October 14:** Breakfast at the hotel followed by a visit to **Silver Dollar City**. You may not have heard of it. You will be impressed. It is an Ozark Mountain Theme-Park where you step back in time. There are great shows, wonderful food and unique shopping. It is also home to Marvel Cave and several attractions, all in a beautiful, natural setting. We'll spend a few hours there (it is a must-see!). You can then relax at the hotel or see an optional show called the **Chinese Acrobats** from the New Shanghai Circus. Dinner is at famous Shorty Smalls followed by one of the popular Utah families in Branson: **The Duttons**. All play multiple instruments and have amazing talent. **B, D**

**October 15:** Free morning today. Take in an extra show (like **Shoji Tabuchi**), do some shopping or just relax. We'll provide options and transportation. After lunch, we'll see the **Hughes Brothers** who are now well established in Branson as one of the most popular shows. Dinner is at McFarlains Restaurant followed by a unique, new show in town called **SIX**. These are six brothers that perform acapella. You won't believe their sound. **B, D**

**October 16:** Today we'll enjoy a delicious breakfast at Bob Evans (order off the menu). Our morning show is one of our favorites. It's called **The 12 Irish Tenors** and all of our groups have loved it. After lunch you'll have an option to see Legacy and Legends at IMAX (or other options). After a rest at the hotel, we'll board the luxurious **Showboat Branson Belle** and enjoy a early dinner sailing on Table Rock Lake. The scenery is lovely, the food is delicious and the variety show is excellent every year with music, comedy and dance. At 8:00, we'll see our final show: **Pressley Jubilee**, an excellent country music show performed by the Pressleys, Branson's first family (They opened their first show in 1959!). **B, D**

**October 17:** This morning we'll have a delicious buffet breakfast at the Golden Corral. We will return to Kansas City for our flight home. If time and schedule permit, we will visit some sites in Independence and Liberty which are on the way to the airport. **B**

**Registration Information:**

To make a reservation, simply **fill out the attached reservation form and send it to us with a deposit of \$300 per person.** When we receive your deposit, we will mail you a receipt confirming that you are registered for the tour. A letter with instructions, hotel itinerary flight information (if applicable) and luggage tags will be sent 45-60 days prior to departure at which time the balance will be due. You do not need to pay the balance until after you receive that packet. We require final payments in the form of a check. If that is not possible, arrangements can be made to use a credit card. Webb Tours accepts Visa, Mastercard and Discover.

**Cancellation Penalties**

We understand that you may need to cancel your trip for whatever reason. If it is 60 days or more before departure, all money will be refunded. If it is within 60 days, we will charge you only what Webb Tours cannot recover. In some cases, we can recover all of it. In others, we cannot. Cruise lines, airlines, hotels and other service providers require funds in advance and have their own rules about what will be refunded once paid. We must follow their guidelines. For airlines, specifically, tickets are generally non refundable when purchased. However, most airlines will allow the value of the canceled tickets to be reused for future travel, though a penalty may be assessed to reuse the tickets. If you have to cancel, Webb Tours will work with other providers to obtain as much refund as possible for our travelers. Our travelers know us to be very fair in this regard.

**Cancellation Insurance:**

Cancellation insurance is also available should you be interested. The insurance provider that we use is a company called Travelex. You can learn about them at [www.travelexinsurance.com](http://www.travelexinsurance.com). With this insurance, most of your money will be returned to you in case you have to cancel for covered reasons (illness or death of an immediate family member) at the last minute. The price for the insurance varies based on the price of the trip and the age of the participant (at the time the insurance is purchased). Prices are as follows:

Trip Cost	Ages 0-34	Ages 35-50	Ages 51-60	Ages 61-70	Ages 71-79	Ages 80+
\$1,000-\$1,500	\$64	\$78	\$84	\$105	\$150	\$229
\$1,501-\$2,000	\$81	\$100	\$108	\$140	\$198	\$291
\$2,001-\$2,500	\$102	\$122	\$131	\$170	\$242	\$355
\$2,501-\$3,000	\$121	\$142	\$154	\$201	\$288	\$418
\$3,001-\$3,500	\$139	\$156	\$168	\$231	\$330	\$484
\$3,501-\$4,000	\$157	\$167	\$181	\$262	\$380	\$570

If you are interested in the insurance, it is best to purchase it when your deposit is made as all preexisting conditions are waived. However, insurance may be purchased any time up to the point you make your final payment. Insurance cannot be purchased after your final payment is made. Webb Tours is not the insurer and acts as agent for Travelex. To activate your insurance, we need your premium and your birth date. **Insurance also includes \$50,000 in medical benefits, \$1,000 for lost baggage, \$250 for baggage delay and \$50,000 for Common Carrier AD&D.**

**BRANSON, MISSOURI.** It is a tremendous place to visit any time of year, but it's especially pleasant in the spring and fall when temperatures are comfortable and there is green as far as the eye can see. It's a feeling that's hard to capture on paper, but we can confidently say that it will be among your most memorable vacations. The entertainment is everything that you have heard it is... and more. But that's only the beginning. Read on.

We are delighted that you are considering a Branson Tour with Webb Tours, **Utah's Branson leader.** We've earned that title because:

We travel to Branson in the spring, fall and Christmas season. This brochure describes our itineraries for **Branson in the Fall.** We offer TWO itineraries:

\*October 9-17 - Nauvoo and Branson (9 days, 8 nights)

\*October 12-17 - Just Branson (6 days, 5 nights)

This brochure contains *general information* about our **Fall tours in Branson.** The specific details about the tour you requested (including prices and daily itineraries) are described on the attached pages. We hope you can join us.

When you go to Branson, you expect several things:

- An all-inclusive tour so you can just relax
- A well organized tour with a variety of excellent planned activities, but ample time to choose some of your own activities as well.
- Good seats to the best shows in town
- Hotel rooms that are clean, comfortable, quiet and conveniently located
- Carefully chosen restaurants with great food
- Guides who know Branson inside & out, but more importantly, who are fun and who care about your experience.
- A motor coach that is comfortable, new and well equipped, and with excellent drivers.
- A fair price
- Assurance from someone who has been with us that we're everything we say we are

Just a brief note about each of the above bullets:

**An all-inclusive tour:** You want a tour that includes air, most meals, all shows and activities, lodging, guide service and some fun extras. Your up front price includes ALL of that.

**A well organized tour:** When we plan a Branson tour, every detail is considered. We have been to every show, every restaurant, and every activity that you'll see on these brochures. We know what people like and don't like because of the hundreds that have gone previously. On our Branson tours, your days will be full of activity but at a relaxed pace. We won't wake you too early in the mornings. We won't just see shows, but will participate in a variety of Ozark activities, with plenty of free time as well.

**Good seats to the best shows:** We reserve seats for all the shows well in advance (12-18 months). As a result, we generally get very good seats. In addition, when you see our show line up, please note that these are Branson's most popular shows. No two shows are alike. You'll see and hear tremendous variety of entertainment and each show will be very different. If you're skeptical about seeing multiple shows, don't be. Each is unique and WELL worth seeing.

**Clean, comfortable, convenient hotel.** We will be staying at the newly renovated Holiday Inn Express or Comfort Suites. Both are clean, comfortable and well located, and with excellent breakfasts (hot and cold food). You'll be pleased with the accommodations.

**Carefully chosen restaurants:** Eating may not be the highlight, but it can make a good tour great. We pay close attention to the restaurants we choose. You'll enjoy a combination of great sit-down meals and only the best buffets. All breakfasts (not just continental) and dinners are included in the price. Also, our dinners are at places that cost a bit more than where most tours eat. We think it's worth it. There are many bad restaurants in Branson. We will take you ONLY to the good ones.

**Comfortable, well equipped bus:** We use Cavallo Bus Lines out of the Midwest. Buses are new and are equipped with video, restroom, excellent sound systems and air conditioning. And the drivers enhance the tours with their personality and expertise. We don't have randomly assigned drivers. They are drivers that we have used in the past so we know they are excellent.

**Excellent guides:** The guides are one of the most important parts of the tour. Guides perform at least four functions: 1) They keep things moving according to the schedule, 2) They facilitate a fun, relaxed environment, 3) They inform about topics or places of special or historical significance and 4) provide solutions to any problems which may occur. Our guides are specially chosen and are well qualified in all areas. They are sensitive and caring, as well as knowledgeable and fun. They have been to Branson MANY times. In addition, we'll have a car available at the hotel in case any unexpected need arises which would require the use of a car and driver.

**A fair price:** To my knowledge, we have never taken a single person to Branson that didn't feel they got their money's worth. Because our business is relatively small, our overhead is low (especially compared to some competitors). That means we can offer an excellent, first class tour for a very reasonable price. Of course, a fair profit is built into that price. We encourage you to compare prices, but **please** consider what is included in the tour and the level of accommodations. We notice that many companies include lesser quality (and therefore cheaper) shows, leave out key attractions, eat at second rate restaurants and use older, economy lodging to get the price deceptively low. Be careful. I could shave \$100 per person from the price of our tours by doing the same. However, our strategy is different. We give you all of the best that Branson has to offer. And because of our low overhead, we are still less expensive than most.

**Assurance from somebody else:** It's easy for me to say nice things about our company, I'm the owner. If you'd like to ask somebody that has been on our tours, we can easily arrange that.

**BRANSON GUARANTEE:** I hope we don't sound arrogant, but we are so confident in Branson and our ability to provide you with the best possible Branson experience, that we **GUARANTEE** you'll have a great time. In fact, if you don't, we'll give you \$100 toward your next tour with us or any other tour company. You won't see anyone else make that claim (we have yet to have anybody ask for it).
